Integrity Pickleball Courts

It's court season! Integrity Pickleball Courts is our court division, and we are having a stellar year.

From lakeside properties to charming farmhouses and neighborhood parks, our team has brought color, quality, and function to every surface. We can do anything—from site work, pouring the concrete, coating the surface, and adding nets, hoops, and everything else needed to make it AWESOME! Or, we can simply resurface your old court.

No job is too big. No job is too small.

Each court is designed not just for play, but for lasting durability and style. Whether it's bold blue tones with a view or classic green finishes set in peaceful backyards, these summer builds reflect the care and craftsmanship we put into every project.

Ready to build your dream court?

Javier Quintana Saucedo

Meet Javier Quintana Saucedo, the newest member of the Integrity Pickleball Courts team. With over 7 years of experience in construction—specializing in siding, roofing, fences, and decks—Javier brings strong skills and a great work ethic to every project. Outside of work, he enjoys playing soccer, biking with his daughter, and hiking with his family. He also tends to a thriving vegetable garden at home. We're excited to have Javier on board and look forward to all the great work we'll accomplish together.
