EXPLOSIVE NEW COLORS

Le Mans Blue is a cool, modern blend featuring layered shades of slate and steel blue paired with soft greys and crisp white accents. The contrast creates a clean, dynamic look that adds depth and a subtle pop of color.

Charlotte is a clean, neutral blend with a soft grey base and subtle grey and white accents for a refined look. Its mixed flake sizes create a terrazzo-style finish that adds depth and texture.

Builder Spotlight: CLOSET FACTORY

Will and Rene, with **Closet Factory**, specialize in custom closets and personalized built-in organization systems for kitchens, garages, and more—helping homeowners create clean, functional, and beautifully organized spaces tailored to their needs.
